**WARNING**

Read and understand all instructions on this equipment before use. Failure to follow these instructions may result in injury or death.

1. Never allow children or strength training novices to use this equipment without proper instruction and supervision.
2. All warnings and instructions should be read and understood before use.
3. Use this equipment for its intended purpose only.
4. NEVER allow improper setup. Improper setup may result in an accident or injury. Consult the manual for proper setup.
5. NEVER use this equipment for competitive strength training or for any other purpose not intended by the manufacturer.
6. Check for wear and tear on the equipment and components regularly. Report any damage or wear to the manufacturer.
7. Do not use the equipment if you are injured or if you are under the influence of alcohol or drugs.
8. Do not use the equipment if you are pregnant or have a medical condition that may be aggravated by exercise.
9. Do not use the equipment if you are taking medication that may affect your ability to exercise.
10. Do not use the equipment if you are feeling dizzy, lightheaded, or otherwise unwell.
11. Do not use the equipment if you are feeling fatigued or exhausted.
12. Do not use the equipment if you are feeling any pain or discomfort.
13. Do not use the equipment if you are feeling any numbness or tingling.
14. Do not use the equipment if you are feeling any shortness of breath.
15. Do not use the equipment if you are feeling any dizziness or lightheadedness.
16. Do not use the equipment if you are feeling any headache or migraines.
17. Do not use the equipment if you are feeling any other symptoms that may be related to exercise.

**WARNING**

**SEVERE INJURY CAN OCCUR ON THIS EQUIPMENT. FOLLOW THESE PRECAUTIONS TO AVOID INJURY!**

- Never allow children on strength training equipment. Trainers must be experienced at all times when using this equipment.
- All warnings and instructions should be read and proper instructions obtained prior to use.
- Use this equipment for its intended purpose only.
- NEVER allow resistance strips, ropes or other items to be attached to this equipment, as this may result in serious injury.
- NEVER use this equipment for support during stretching, as this may result in serious injury.
- Check exercise if you feel tired or dizzy. Obtain a medical exam before beginning an exercise program.
- Keep only feet, clothing, and fitness accessories free and clear of all moving parts.
- Inspect the machine before use. DO NOT use machine if it appears damaged or inoperative.
- Check to see that the selector pin is completely inserted into the weight stack.
- NEVER use the machine with the weight stack pinned in an elevated position.
- NEVER use dumbbells or other loads to demonstrate increase in weight resistance. Only use the manufacturer directly from the manufacturer.
- DO NOT REMOVE THIS LABEL. REPLACE IF DAMAGED OR ILLEGIBLE.
